As an example, if you are paying fortnightly and start your rental on Monday 1st January, then your first two weeks will be due on Monday 1st, and the second two weeks will be due on Monday 15th January. As bank transactions can take up to two working days to appear please ensure your payment is made two days earlier (in this example the automatic payment would need to be set up for Thurs 11th January).

After 10 calendar days of default:

- **Katikati Storage will deny the Customer access to the unit, including adding a padlock or replacing the Customer's padlock (at the Customer's cost);**
- **The Customer will be liable for a late payment fee for any further missed payments.**

After 20 calendar days of default:

- **Katikati Storage will send a FINAL DEMAND by post, email, or text.**

After 30 calendar days of default:

- **Katikati Storage will take ownership of the contents and dispose of them to free up the unit and recover rent arrears if possible;**
- **Any remaining arrears will be liable for 20% per annum interest and forwarded to a debt collection agency.**

Every effort will be taken to contact the Customer if they default on their payments, however it is the Customer's responsibility to ensure their payments are made on time and to inform Katikati Storage of any changes to their contact details.

All items are stored at the Customer's risk; Katikati Storage accepts no risk and no responsibility for any goods stored.
